

\$15,000 CDAP BOOST YOUR BUSINESS TECHNOLOGY GRANT

What Does the Grant Provide?

The CDAP 'Boost Your Business Technology' grant provides 90% of the cost (up to \$15,000) of the development of a Digital Adoption Plan by an approved CDAP Digital Adoption Advisor. This customized plan focuses on leveraging modern digital solutions to your business' opportunities and challenges. It can address a variety of domains, such as marketing, sales, cyber-security, operations, finance, as well as integrations and cross-business functions (ex: CRMs and ERPs).

You are then able to leverage additional resources to execute on that plan:

- Access to \$25K-100K in 0% interest loans ✓
- \$7,300 in youth wage subsidies ✓

Am I Eligible for CDAP?

- ✓ Canadian, privately-owned for-profit businesses
- ✓ > \$500K Revenue in one of the last 3 Years
- ✓ Between 1 and 499 T4 employees
